SUNLIGHT

Mary Baumgartner

Sunlight fascinates me

It's so warm

It's so bright

It's so majestic

It's so sublime.

Sunlight draws me

With its bright colors

With its effulgent rays

With its warm waves

With its constant presence.

Sunlight guides me

As its light illuminates me

As its brilliance excites me

As its fieriness warms me

As its existence lets me be.

Sunlight blesses me

Its energy heals me

Its beauty inspires me

Its provisions strengthen me

Its presence reasons for living give me.
